\* Those categorised as 'not stated' have not been included in this total for educational attendance. In 2006 there were 66,823 18 to 20 year olds who did not state their educational status.

^ Those categorised as 'not stated' have not been included in this total for labour force status. In 2006 there were 4,769 18 to 20 year olds who were not enrolled in education and did not state their labour force status

# The 'Employed, away from work' includes persons who were on leave, on strike or did not state the number of hours worked in the week preceding Census night.
